A NEW WAY TO MEET

# SFMEETINGS

NEIGHBORHOOD NETWORK CONNECTIONS

## GET CONNECTED

San Francisco attendees have come to expect quality choices that elevate meetings to a more personalized experience. By combining meeting space and room blocks at neighboring hotels, our SFMeetings Neighborhood Network Connections offer attendees additional meeting options in a variety of settings. Now larger groups up to 2,500 people have new opportunities for their meetings in San Francisco.

Get connected and explore a new way of meeting.
