

1. Organization Name: Habitat for Humanity San Francisco
2. Organization: Non-Profit/Community
3. Additional Information: Oscar Lee – oscar@sftravel.com
4. Topics Addressed: Bay Area based and focused, Homelessness/Low Income, Youth and Family
5. Description of Program:
 - Habitat for Humanity Greater San Francisco builds homes and sustains affordable homeownership opportunities for families in Marin, San Francisco, and San Mateo counties. Our values focus on building partnerships, equity, stability, and legacy.
6. Results/Impact:
 - **Our First Home: Beech Street, East Palo Alto**
 - By the early 1990s, we had built five single family homes on Beech Street in East Palo Alto.
 - Funds were raised only after each single-family lot became available, a family was selected, and a volunteer supervision program was created. With these in place, funds were raised for materials, with the congregation of Menlo Park Presbyterian Church providing crucial support.
 - **1996: Gloria Way, East Palo Alto**
 - In response to the decision to build more, and more quickly, our first condominium complex was built at 2420-2484 Gloria Way in East Palo Alto. The first six homes were dedicated at a ceremony in July 1996, with a further 18 apartments being completed over the next two years.
 - **2000-2010: Single family homes, townhomes and condominiums**
 - The turn of the millennium was marked by eleven single family homes being completed across San Francisco and in Redwood City (our first homes there). In 2002, also in Redwood City, 36 homes were completed at Rolison Rd.
