6. Results/Impact:
  - **Hamilton Shelter Program** in the Tenderloin provides safe shelter, three meals a day and critical social services to 50 families a night for up to six months.
  - **Hamilton Transitional Housing** houses and supports up to 25 families at high risk for chronic homelessness for 6 to 18 months. Families receive intensive social services to identify and address factors contributing to their homelessness.
  - **Hamilton Housing Solutions** prevents homelessness whenever possible and assists families who have become homeless with housing search assistance, temporary rent assistance, case management, job search and other services for up to 18 months to help them find and retain a permanent home.
  - **Children's Services** are integrated throughout all our programs, providing therapeutic support and enrichment activities to strengthen children's resiliency, promote academic success and enhance the parent-child bond.
